Criminal Damage to Motor Vehicle

Date of Incident: Friday January 14, 2011
Time of Incident: Between 1900 hours and 2345 hours
Location of Incident: Southwind Subdivision
Georgian Place Subdivision
Huntley Meadows Subdivision

On Friday January 14, 2011 there were 4 reports of criminal damage to property involving motor vehicles. All vehicles were damaged between 7:00 pm and midnight. The vehicles were all parked in the street in front of the owner's residences at the time of the incidents. Drivers side front and rear windows were shattered as the result of being struck by an unknown object or objects. Valuables were left in the vehicles as it appears that the vehicles were not entered by the suspects. It is possible that the windows were broken by suspect(s) from moving vehicles. No evidence was recovered at any of the crime scenes.
