Dear Resident:

As part of the 2011 Budget, the Village Board of Trustees approved the 2011 Street Improvement Program which included streets in the Southwind Subdivision.

The following streets are scheduled to be improved this year as a part of the Village's annual program:

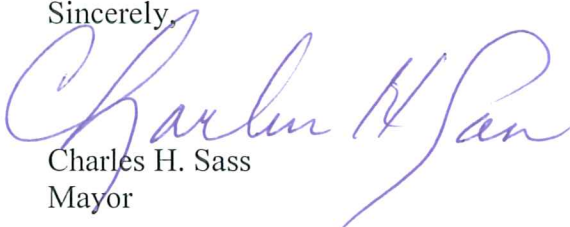

- Ashley
- Dunhill
- Oxford
- Somerset
- Wellington
- Bennington
- Haverhill
- Riverside
- Thornton Way
- York
- Compton
- Longfield
- Scott
- Wakefield

The project will also include repairs to the curb, gutter and sidewalk, in areas as needed.

On, Tuesday April 19, 2011 at 6:00 p.m., the Village will be holding an informational "Town Hall" meeting at the Municipal Complex Board Room (10987 Main Street) to go over the plans, the schedule, and answer any questions you may have on the project.

In the meantime, do not hesitate to contact me at 847-669-9600 should you need additional information.

Sincerely,

Charles H. Sass
Mayor
