

## April 5, 2010 – Yard Waste Collection Begins

For residents within the Huntley corporate limits  
(excluding apartments and Sun City)

### Yard Waste Collection

Included in your monthly service fee is seasonal collection of yard waste materials - grass clippings, leaves, weeds, and twigs (dirt is not accepted).

Biodegradable brown paper bags are the preferred containers for yard waste; however, MDC Environmental Services will also collect yard waste from garbage cans that you supply that are clearly marked on the side (visible from 20') with a large "X" (use paint, duct tape or a similar durable material). Yard waste carts (95 gallon, similar to that provided for household waste) can be rented from MDC for a small monthly fee.

**Yard waste is picked up at no additional charge from April through November.**
