

Important News!
MDC Environmental Services Inc.
(Marengo Disposal) will soon be
your new waste hauler.

Beginning Monday, March 3, 2008 the Village of Huntley will have a single village-wide Waste-hauler for all residential units within the corporate limits (excluding apartments & Sun City). The cost savings and a cleaner Huntley are two very favorable aspects of this program.

The Regular Rate includes:

- Unlimited pick-up of refuse
- A 95-gallon refuse toter
- A 65-gallon recycling toter
- Pick-up of yardwaste (both grass clippings and leaves in Kraft bags or specially marked cans) from April 1st - November 30th.
- Pick-up of one large bulk item per week (pick-up of white goods such as a refrigerator, stove, etc. must be arranged for directly with MDC at an additional charge).

The Senior Discount Rate (for those homeowners 55 and better) includes:

- A 35-gallon refuse toter (unlimited pick-up of refuse is not available under this program and MDC will only pick up what is placed inside the 35-gallon toter)
- A 65-gallon recycling toter
- Pick-up of yardwaste (both grass clippings and leaves in Kraft bags or specially marked cans) from April 1st - November 30th
- Pick-up of one large bulk item per week (pick-up of white goods such as a refrigerator, stove, etc. must be arranged for directly with MDC at an additional charge).

Village-Wide Residential Wastehauler Program

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7

*Invoices are sent on a quarterly basis

Common Questions

Do I need to call MDC Environmental Services to start my service?

No. They have received the name and address of each resident within the Village limits in order to set up the billing system. You will still be invoiced on a quarterly basis.

When will I receive the garbage and recycling toters?

MDC will begin delivering garbage & recycling toters around February 15th so that each house will have the new toters delivered prior to the first village-wide collection on March 3rd.

What if I can't handle the 95-gallon refuse toter?

All toters are on wheels and have covers for ease of use but if a resident is unable to handle the 95-gallon refuse toter, they may contact MDC and MDC will exchange it for a 65-gallon refuse toter. The monthly charge will remain the same.

Any change in the day & time of pickup?

Monday will remain as Huntley's garbage day. Pick-up may begin as early as 6:30 a.m. and continue later into the afternoon then what residents have experienced in the past. Hopefully, after a few weeks residents will become accustomed to the new times.

How will residents sign up for Senior Discount?

For residents 55 years and better there are two (2) ways to sign up:

- Residents may send a copy of their driver's license or State ID with their current address listed directly to MDC Environmental Services (1050 Greenleaf, Marengo, IL 60152) and request the senior discount;
- or,
- Simply come to the Huntley Municipal Complex, 10987 Main Street, and sign up between 8:00 a.m. and 5:00 p.m. Residents will need to bring their driver's license or State ID with their current address on it.

Additional Information

More detailed information regarding this program will be attached to your garbage and recycling toters, which will be delivered around February 15th.

This seven-year contract applies to all single and multi-family residential units within corporate limits (excluding apartments and Sun City.)
