

Weekly Update – Summer Road Projects in Huntley

Last Updated November 5, 2009

There are many road projects scheduled this construction season. There may be periodic lane closures with many of these projects, so we encourage you to use alternate routes, if possible.

- **Kreutzer Road will be resurfaced** from the Huntley Crossings Development (Walmart) west to the UPRR tracks. Huntley's 2009 budget was amended to fund the Kreutzer Road resurfacing project. This project was also included in the American Recovery and Reinvestment Act (ARRA) program. **The pavement striping was completed Monday, November 2nd. The reflective pavement markers have not yet been installed. The project is to be completed by the end of November, 2009.**
- **The McHenry County Division of Transportation will also be completing the Algonquin Road widening this summer. This project has been completed by the McHenry County Division of Transportation. The Village will begin in October 2009 to add enhanced landscaping to the south side of Algonquin Road from Church Street to Ruth Road.**
- **Huntley's 2009 Street Improvement Program** which included the following streets: Douglas Avenue from Church to Timer Drive West, Phillip Drive, Kathleen Avenue, Mathew Street, Michael Street, Charles Street, Carl Street, Brittany Avenue and Elizabeth Avenue – **This project has been completed.**
- **Huntley's 2009 Street Improvement Program Addition** which includes Timer Drive and Douglas Street from Timer West to Ruth Road. **The Board of Trustees authorized the addition of these street improvements at the August 13th Village Board meeting. The surface course of asphalt was completed September 22, 2009. Minor turf restoration remains. The project is substantially complete.**
- **Reed Road will be widened** from 2 lanes to 3 lanes between Haligus Road and Cambridge Drive. The Village is coordinating a detour with Lake in the Hills and McHenry County Division of Transportation. **This project has been moved to a September 2009 letting with work anticipated to begin in Spring 2010.**
- **The McHenry County Division of Transportation is resurfacing West Main Street** from the Kishwaukee Valley Road Bridge, east to the Lion's Chase Subdivision. **This project has been completed.** For information please contact the McHenry County Division of Transportation at (815) 334-4968.
- **Huntley-Dundee Road resurfacing** from Main Street to Kreutzer Road. **This project has been completed.**
- **Powers Road is being reconstructed and widened** from Route 47 east through the Huntley Crossings development. **Powers Road is closed between Route 47 and Freeman Road. The final surface and striping have been completed. The Developer is to provide for street lighting installation along Powers Road. This is a developer project and is scheduled for completion by mid-October, 2009.**

Construction schedules may be altered due to weather. Please contact the Engineering Department at 847-515-5270 if you have additional questions regarding road construction in Huntley. Remember to slow down in construction zones and drive safe.
