

April 6th – Yard Waste Collection Begins
For residents within the Huntley corporate limits
(excluding apartments and Sun City)

Yard Waste Collection

Included in your monthly service fee is seasonal collection of yard waste materials - grass clippings, leaves, weeds, and twigs (dirt is not accepted).

Biodegradable brown paper bags are the preferred containers for yard waste; however, MDC Environmental Services will also collect yard waste from garbage cans that you supply that are clearly marked on the side (visible from 20') with a large "X" (use paint, duct tape or a similar durable material). Yard waste carts (95 gallon, similar to that provided for household waste) can be rented from MDC for a small monthly fee.

Yard waste is picked up at no additional charge from April through November.

Customer Service

If you have any questions regarding your service, please contact MDC directly at (815) 568-7274. MDC's customer service representatives are available from 7am to 5pm Monday – Friday. Additional information, including various automated payment options, is available on their website at: www.mdces.com

Thank you for your cooperation.
