

**VILLAGE OF HUNTLEY**  
**PRESS RELEASE**  
**For Immediate Release**

**To:** All Interested Media Outlets  
**From:** David J. Johnson, Village Manager  
**Re:** Village Of Huntley – Route 47 Roadwork  
**Date:** October 23, 2008

**Information**

In conjunction with the commercial development occurring along Route 47 between Oak Creek Parkway and Kreutzer Road, the east side of Route 47 will be widened to provide an additional through (northbound) lane from Oak Creek Parkway to Kreutzer Road. Northbound exclusive right turn lanes will be included at Huntley Crossings Drive (private), Powers Road, Regency Parkway and the Huntley Grove Commercial access (private).

Southbound dual left turn lanes will be added at Huntley Crossings Drive (private) and Regency Parkway. Traffic signals will be added at Huntley Crossings Drive (private) and Regency Parkway.

The intersection of Route 47 and Kreutzer Road will include exclusive right and left turn lanes at all legs, and will remain signalized. The work is scheduled for completion in 2008.

**Update**

**IDOT has responded to the contractor's request to extend working hours on Route 47. Hours for lane closures during the week will remain the same (9:00 am to 3:00 pm), however the contractor will now be allowed to block off one lane from 9:00 am to 3:00 pm on Saturdays as well.**

**Curb is being poured along the edge of the widening area on Thursday, October 23<sup>rd</sup> on the northbound side of Route 47. The contractor anticipates placing binder course late next week and surface course the first week of November, weather permitting.**

Please be prepared for periodic delays. We thank you for your patience.

- End -
