Saturday, July 2nd: 3rd Annual All American Family Fun Day!

There is something for everyone
at this special holiday event:
Saturday July 2nd
On the Huntley Square

- **Shop the Farmers Market**
8:00 a.m. - 2:00 p.m. Come see why our Farmers Market is so popular! (See article on right)
- **Check out the Craft Fair**
8:00 a.m. - 2:00 p.m. At the Craft Fair you will find a wide variety of offerings such as: hand-made wood cutting boards & rolling pins; the cutest lawn art/decorations, jewelry, hair accessories, unique gifts and a variety of home décor items to name a few.
- **Participate in the All American Family Fun Day Events!**
10:00 a.m. – 2:00 p.m. On The Square
 - **Kids games**, face painting, FREE bike/kid/stroller/pet decorating
 - Join in on the new and improved **Around the Block Parade** at 11:45 a.m.
 - Bring your lawn chair and enjoy a patriotic musical performance by the Westlake Community Church Youth Choir at 10:45 a.m. and then the very popular **Peter Guerin Show** at 11:00 a.m. in the Gazebo.
 - Meet Culver's Scoopy and enjoy some delicious frozen custard with all proceeds going to the Special Olympics.
 - Bring your family, friends and neighbors to this fun community event!

Huntley's Farmers Market Serves Up the Fruits of Summer!

Join us each Saturday through October 8th on Coral Street between Church and Woodstock Streets to find a wide variety of fresh, locally grown (plus Illinois, Wisconsin, Michigan and Indiana) fruits and vegetables, sweet and artisan breads, muffins, scones, cookies, farm fresh eggs, jams, local honey, fresh cut flowers, bee's wax candles, organic soaps and lotions, beautiful hanging baskets, potted and garden plants, fudge, fresh kettle corn, gourmet dog treats, and much more! Stop by and see what our vendors have to offer:

- Bee Simply Natural
 - Bergman Farms
 - Breadsmith
 - Gramp's Gourmet Foods
 - The Growing Scene
 - The Jam Lady
 - Kountry Kettle Corn
 - O.G. Kewl Beans
 - O'Leary's Farm
 - Paw Print Barkery
 - Providence Farms
 - Victoria's Soaps & Scents
 - Wagner's Farm*
 - Wayne's Home Grown Fruits & Vegetables
- * Will join the market in mid-July (or as soon as the sweet corn is ready)!

Fourth of July Fireworks

Come celebrate Independence Day with the Village of Huntley and view a spectacular fireworks display at the Huntley Outlet Center parking lot on Monday, July 4th as soon as it's dark (or earlier due to inclement weather).

A rain date has been scheduled for Saturday, July 9th.

Notice to residents: The Village of Huntley has a zero tolerance stance on illegal fireworks. Stay safe by keeping fireworks out of everyone's hands.

THE VILLAGE JOURNAL

Is Your Grass Too High?

It is hard to believe how fast the grass can grow in the summer months. This time of year, it's important to keep up with maintenance of your lawn. Village Ordinance requires all grass and weeds to be kept below 8 inches in height. Property owners who neglect this ordinance could receive a citation and a minimum \$50 fine. Charges could go even higher if the Village has to cut your lawn (and you receive the bill). Perhaps most important, maintaining your lawn improves the look of your neighborhood and maintains property values.

Huntley E-News

The Village of Huntley now has 3 popular E-Newsletters: Huntley E-News, Route 47 Updates, and Farmers Market & Special Events. This is a great way to stay up-to-date on all the latest information. Please consider taking a moment and signing up from our homepage at: www.huntley.il.us. If you already signed up, you can update your profile using the same link.

Watering Restrictions

The Village of Huntley follows a color coded, three-tiered water conservation program (red, yellow & green) to help residents quickly identify the status of our community water system. **Currently, the Village is on Code Yellow**, meaning residents can water their lawns every other day (odd addresses on odd days, even address on even days) from 6AM to 9AM, and from 6PM to 9PM. Status updates can be found online: www.huntley.il.us

GREEN 6:00 AM to 9:00 AM 6:00 PM to 9:00 PM
YELLOW Only Alternate Days (Odd/Even) 6:00 AM to 9:00 AM 6:00 PM to 9:00 PM
RED Outside Watering Prohibited

Hand Held Watering

Hand held watering activities are allowed at any time provided you must actually be holding the hose or watering device. Examples of permitted hand held watering include watering flowers, gardens, trees, shrubs, lawns, car washing and filling wading pools provided that the water consumption for any such activity does not exceed 50 gallons. Hand held watering activities will be suspended if watering status goes to Code Red.

Seed and Sod Installation

Between June 15 and September 15, except for patching and restoration up to 900 square feet, no person, firm, corporation or other entity may lay or plant any sod within the Village. Prior to June 15 and after September 15, watering is allowed for the first eight (8) hours upon installation of sod or seed and thereafter must follow the watering restrictions in effect at that time. Contact the Public Works Department for additional information at 847-669-3450.

Mosquito Alert

Northern Illinois has received heavy rainfall since late April. These conditions coupled with warm temperatures will be responsible for large successive broods of floodwater mosquitoes that will be hatching over the next few weeks. With this escalation of the mosquito population, the Village of Huntley has already begun their efforts to suppress the mosquitoes by placing Altosid briquettes in the Village catch basins (which kill the mosquito larvae prior to hatching). These efforts will continue on a regular basis throughout the summer. Residents are reminded that repellents are also an important tool to assist people in protecting themselves from mosquito-borne diseases.

• Clarke Mosquito Hotline: 1- 800-942-2555

Residents are to contact Clarke at 1-800-942-2555 with questions regarding the Village's abatement program and to report any new locations of stagnant water. Please note: Existing ponds or water sites that have only risen in level DO NOT need to be reported. Only areas or sites that have been dry and traditionally do not hold water, but are now retaining water for 4 or more days should be reported.

Is Your Pool Legal?

The Village of Huntley has adopted the International Residential Codes, which state that all swimming pools are required to meet certain safety and barrier requirements, and receive a building permit, with the exception of any prefabricated swimming pools that are less than 24 inches deep. Any swimming pool that is 24 inches or higher must be approved and permitted by the Village as having met those regulations. Unfortunately, suggestions that a pool taller than 24 inches will only be filled 24 inches or less will not be accepted as an exception to these requirements. Inflatable swimming pools commonly sold at retail stores that are 24 inches or higher are subject to these requirements. Please help us protect the safety of our children by ensuring you receive approval from the Village before purchasing or installing any swimming pool that may meet this description. More information about swimming pool requirements can be found on our web site.
