From: David J. Johnson, Assistant Village Manager

Re: Village Of Huntley - Route 47 Roadwork

Date: July 23, 2008

Information

In conjunction with the commercial development occurring along Route 47 between Oak Creek Boulevard and Kreutzer Road, the east side of Route 47 will be widened to provide an additional through (northbound) lane from Oak Creek Boulevard to north of Regency Parkway. Northbound exclusive right turn lanes will be included at Huntley Crossings Drive (private), Powers Road, Regency Parkway and the Huntley Grove Commercial access (private).

Southbound dual left turn lanes will be added at Huntley Crossings Drive (private) and Regency Parkway. Traffic signals will be added at Huntley Crossings Drive (private) and Regency Parkway.

The intersection of Route 47 and Kreutzer Road will include exclusive right and left turn lanes at all legs, and will remain signalized. The work is scheduled for completion in 2008.

Please be prepared for periodic delays. We thank you for your patience.
