### Village of Huntley Downtown Revitalization Plan Community Workshop

Date: Wednesday, September 2, 2009  
Time: 6:00 p.m.  
Location: Village Board Room  
10987 Main Street, Huntley, IL 60142

The Village of Huntley is beginning the process of developing a *Downtown Revitalization Plan*. The *Downtown Revitalization Plan* will provide a long-range revitalization program and serve to enhance and clearly define Downtown Huntley.

The planning process has been carefully designed to involve the community from beginning to end. Citizen participation is vital to developing the *Downtown Revitalization Plan*. Several “community outreach” components have been created to involve the residents, businesses, and property owners of the Village of Huntley. The next step in the process is a Community Workshop to be held on Wednesday, September 2<sup>nd</sup> at 6:00 p.m. in the Village Board Room, 10987 Main Street, Huntley.

The purpose of this Community Workshop is three fold: (1) to solicit feedback from residents and Downtown business and property owners regarding their aspirations and concerns related to the Downtown Revitalization Plan; (2) to review key findings and recommendations of past plans and studies including the Village’s Comprehensive Plan; and (3) secure local views on problems, issues and potentials within Downtown Huntley.

The workshop is an engaging, creative, and interactive experience designed to review, discuss, and identify conditions and possibilities for the Downtown. The results and feedback from the Workshop will be used in conjunction with other steps in the planning process to establish the Vision, Goals, and Objectives for the *Downtown Revitalization Plan*, and serve as the foundation for the preparation of conceptual development plans and guidelines.

Developing the *Downtown Revitalization Plan* is anticipated to take approximately 5 to 7 months.
