

**VILLAGE OF HUNTLEY**  
**PRESS RELEASE**  
**For Immediate Release**

**To: All Interested Media Outlets**

**From: Village Manager's Office**

**Re: Solicitation Letter from Home Service**

**Date: November 3, 2009**

Information

Some Village of Huntley residents have received a form letter from a company called Home Service with an offer to insure water lines entering their homes. This company is not associated with the Village of Huntley and the Village is not sponsoring or encouraging this practice.

Home Service is a private company selling a service. However, residents should know it is rare that a water service line needs the type of repair described in this letter.

For more information, call Public Works at 847-515-5274.
