

Update - Bridge Closures Over I-90

As part of the Jane Addams Memorial Tollway (I-90) Rebuilding and Widening Project, the Illinois Tollway is rebuilding crossroad bridges that carry traffic over I-90 to accommodate the addition of new lanes on the Tollway.

As a result of the project, the following local bridges are now closed: Brier Hill Road, Sandwald Road, and Powers Road near Huntley.

To get current construction information and to view maps of detour routes for each bridge, please visit the Illinois Tollway's website:

Fiscal Year 2014 Budget Process

The Village Board began formal review of the Fiscal Year 2014 Budget with a workshop session at the October 10th Village Board meeting. This included a review of the Strategic Plan, Financial Policies, Major Capital Revenue Sources, Capital Projects and Projected Capital Fund Balances, and Preliminary List of FY14 Capital Projects.

The Village Board will conduct a review of On-Going Services, Programs and Preliminary Capital Requests on October 24th.

The Property Tax Levy Estimate Resolution will be presented on November 14th at the Village Board meeting (20 days before adoption). The Fiscal Year 2013 Projects Status Report and Accomplishments will also be reviewed at that time.

Public Hearings will be held on December 12th, at which time the FY14 Budget and 2013 Tax Levy will be discussed and considered.

Opening Soon! Full Interchange at I-90/Rt. 47

The new full interchange at I-90 and Route 47 is scheduled to be opened in stages over the next several weeks. Watch for changing traffic patterns as new ramps are opened and traffic signals are activated.

National Take Back Prescription Drug Day

The Huntley Police Department will be collecting unused prescription medication on **Saturday October 26th from 10am to 2pm at the Huntley Police Department, 10911 Main Street.** The drugs will be properly disposed of by the U.S. Department of Drug Administration. Please place unused pills into a plastic or paper bag for disposal. Syringes and liquids will not be accepted.

The Take Back initiative addresses a vital public safety and public health issue. More than seven million Americans currently abuse prescription drugs. Each day, approximately, 2,500 teens use prescription drugs to get high for the first time according to the Partnership for a Drug Free America. Studies show that a majority of abused prescription drugs are obtained from family and friends, including the home medicine cabinet. The American public turned in more than 121 tons of pills on this first National Take Back Day in 2010. Huntley always has a great turn out for these collection events. Do your part, and turn in your old and unused medications on October 26th.

Deer Path of Huntley Supportive Living

Deer Path of Huntley opened its doors to residents in August. The brand new residential community is comprised of a 128-unit, three-story building with 44 studio apartments and 84 one-bedroom apartments and serves physically disabled adults age 22 to 64.

BMA Properties manages and operates Deer Path through the Illinois Supportive Living program. Among the services offered are health monitoring and assistance with daily living activities. Medication reminders, housekeeping and laundry service, transportation and meals are included in the program.

Deer Path is located at 12500 Regency Parkway. The building also features community areas for residents to enjoy, including a spacious dining room; private dining area; café; pub and billiards room; activity, game and recreation room; library; fitness center; physical therapy room; library; theater; outdoor patio; and outdoor walking and wheelchair path.

No Leaf Burning Within Village Limits

Huntley's Village Board adopted the McHenry County Open Burning Ordinance to cover ALL property within the Village. Due to the relatively small size of residential lots in Huntley, leaf burning is essentially illegal for the vast majority of homeowners within Village limits. For complete rules on Open Burning and to learn more about yard waste pickup services available in your area, please check the Village website: www.huntley.il.us.

Huntley residents (not including Del Webb) are reminded that MDC Environmental will continue to pick-up of yardwaste (both grass clippings and leaves in Kraft bags or specially marked cans) until November 30th.

Christmas on the Square - save the date!

It's not too early to mark your calendars! Join us at the 6th Annual Christmas on the Square Event on Saturday, December 7th. This annual event is sure to bring out the holiday spirit in everyone – Come be part of the fun!
