

The Village of Huntley
has a great line up of concerts and events scheduled
for this year and need your sponsorship help!

Sponsoring an event is a great opportunity to get your name out into the community and show your community spirit!

By helping us out, we can provide the following:

Summer Concerts – name on banners and advertisements, recognition at concert and booth at concert.

Independence Day Fireworks Show – recognition on advertisements, booth at event.

Movie in the Park: Mary Poppins Returns – recognition on advertisements, booth at event.

A Very Merry Huntley – recognition on advertisements, booth at event.

See the attached for a complete list of events with levels of sponsorship available.

Please feel free to contact me regarding levels of sponsorship and how we can work together to make Huntley's 2019 events the best ever!

Thank you in advance for your consideration.

Sincerely,
Barb Read
