

Kane County RECYCLES

Green Guide

2017

Kane County Division of Environmental Resources

This annual guide is now published in January instead of April.

2017 Event Dates:

- Apr 1*** - Electronics, Books, Doc Shred, Latex Paint
- May 13** - Electronics and Books
- Jun 10** - Electronics and Books
- Jul 8** - EXTRAVAGANZA
- Aug 12** - Electronics and Books
- Sept 9** - Electronics and Books
- Oct 14** - Electronics and Books
- Nov 11** - Electronics, Books, Doc Shred, Latex Paint

See page 2 for details on above events.

Note: Information is correct at the time of printing, but please always check the website (countyofkane.org/recycling) to confirm before attending. Things change!

Electronics Recycling Rollercoaster

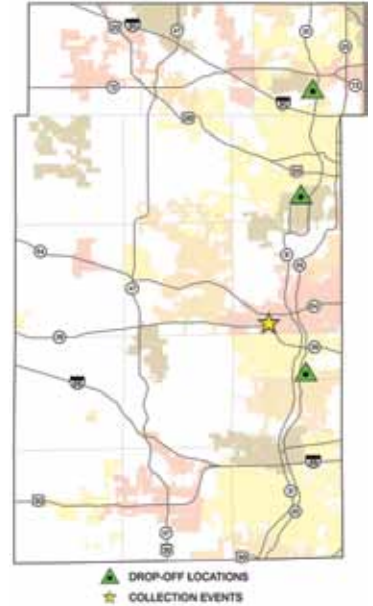

Dear Kane County Residents,

It was a tough year for Electronics Recycling in Illinois and Kane County was no exception. A tsunami of TVs coming in for recycling overwhelmed the Kane County drop-off locations, the last of which closed their doors in April of 2016. When the County announced that its electronics recycler would soon charge residents for TV recycling, thousands came to get their TVs in for free at spring events, causing unmanageable line-ups and forcing the temporary suspension of the program in mid-2016.

The fantastic news is that we again have 3 drop-off locations throughout Kane County - open 5 days a week, 8 hours a day - and 2017 events are scheduled (see left). Most electronic items are still FREE to drop-off, but there is a fee for TVs and Monitors due to the high cost of recycling the hazardous materials they contain.

Thank you for spreading the word about this great service and for responsibly recycling your electronics.

Sincerely, *Jennifer Jarland*, Kane County Recycling Coordinator

Municipal Waste & Recycling Haulers

Hauler	Contact	City or Township Service Area
Advanced Disposal Services	630-587-8282	Batavia, Geneva, Mill Creek S.S.A., St. Charles, Prestbury
DC Trash of Illinois	815-758-7274	Virgil Township
Flood Brothers Disposal Co	630-261-0578	East Dundee, Pingree Grove
Groot Industries	800-244-1977 for 877-775-1200 for	Algonquin Big Rock

This list may be subject to change, check website for updates. Unincorporated County residents may contract with any of the licensed haulers operating in Kane County. See: <http://www.countyofkane.org/Recycling/Documents/LicensedHaulers.pdf>

Kane County Recycling Events

All Kane County events are for Kane County residents only. **NO BUSINESSES.**

In 2016,
Kane County
residents recycled
over
1 million pounds
of electronics!

Where: 540 S Randall Road, St. Charles • 630-208-3841

Hours: 8 am – 12 noon

Apr 1* - electronics, books, shredding and latex paint

May 13 - electronics, books

Jun 10 - electronics, books

Jul 8 - Annual EXTRAVAGANZA

Aug 12 - electronics, books

Sept 9 - electronics, books

Oct 14 - electronics, books

Nov 11 - electronics, books, shredding and latex paint

*The April event is on the 1st Saturday of the month, no joke! The rest of the events are on the 2nd Saturday of the listed months as always.

Note: Information is correct at the time of printing, but please always check the website (countyofkane.org/recycling) or call to confirm before attending.

We unload for you: Please stay in your car if possible.

Books: Books can be of any age, in any condition, either paperback or hard cover. They are assessed for reuse and redistributed if possible. Otherwise they are sent for recycling, having the bindings cut off and all paper recycled.

Document Shredding: Free confidential document shredding on specific dates listed above.

- This service provides on-site shredding trucks, where you can watch your documents being shredded if you wish.
- This is for residential material only, not for businesses, thank you.
- Staples, paperclips, spiral bindings, file folders without metal, and cellophane envelope windows are fine to leave in. Please REMOVE all binder clips, three-ring plastic binders and any larger metal pieces.
- Please do not bring periodicals, magazines, and other paper that does not contain confidential information.
- We will receive documents for shredding only until the trucks are full, and may finish before 12pm.
- Quantity limit is 4 boxes or bags (per vehicle). **No business material will be accepted.**

Electronics: See list of acceptable and non-acceptable items on page 3. All data stored on computer hard drives will be completely erased or destroyed under the highest security (meeting all FACTA privacy protection requirements), so there is no need to wipe your drives before recycling at this event.

EXTRAVAGANZA: At the annual extravaganza we take Electronics; Books; Bikes, parts, & helmets; Wheel chairs & crutches; 4-foot fluorescent tubes; Styrofoam blocks, Liquid latex paint (per-can fee applies, see below), and we offer free Confidential document shredding. Check online in May for a full updated list.

Latex Paint Recycling: Liquid Latex Paint recycling (no oil paint) on specific dates listed above.

- Latex paint has a recycling fee per container, payable by the resident with cash or check (Quart \$2; Gallon \$3.50; 5-gallon \$10)
- No oil-based product will be accepted. See page 4 for oil paint disposal.
- Latex paint is non-toxic but difficult to dispose of because you have to dry it out before placing it in your landfill trash. However, it can be easily recycled into new products with no drying out necessary!
- See page 3 for more options on latex paint disposal.

Winter break: Due to logistical difficulties and health risks associated with operating an outdoor event in extreme weather, at the time of printing there are no collection events planned for February, March, or December of 2017. Thank you for your understanding.

Things Change

At Kane County Recycles, we do our best to provide accurate information on our programs, but things do change. Because this printed guide is an annual publication, it can have outdated information in it before the new guide comes out. It is because of this that we encourage you to always look on the website for the most current information.

Mailing list:

Please call 630-208-3841 or email recycle@countyofkane.org to sign up to be mailed a paper copy of the Guide each year.

Electronic Items Accepted

Accepted for Free

- Cable & Satellite Receivers
- Cable & Satellite Receivers • Cables & Cords
- Cell Phones / PDAs • Christmas Lights
- Circuit Boards • Computers (CPUs, Laptops, Tablet PCs, computer batteries)
- Digital Converter Boxes
- Digital Recorders • DVD Players
- Fax Machines • Hard Drives
- Holiday Lights • Keyboards • Mice
- Phones • Portable Digital Music Players
- Printers • Scanners • Small Scale Servers
- VCRs • Video Game Consoles

Accepted for a Cost

- Monitors (all types, flat screen or glass tube) • TVs/Televisions (all types, all ages, flat screen or glass tube)

Cost: TVs and Monitors cost \$25 (for screens under 21" measured diagonally across the screen) or \$35 (for screens 21" and over). Pay at site with cash or card or online (link available on electronics page of countyofkane.org/recycling).

Cost applies at EVENTS (see pg 2) and at DROP-OFFs (top right).

Not Accepted

- Small household appliances like vacuums and microwaves, toner cartridges, DVDs, Video and audio cassettes, and other items that are not on the list above, are no longer acceptable in this program due to the limitations being experienced in electronics recycling in Illinois. These items can be placed with trash for collection at the curb. This may change again in the future. Please check the website for the most current information.
- Large Household Appliances/White Goods (see A-Z list, Appliances)
- Batteries not contained in equipment (see pg 5)
- Household Hazardous Waste (see pg 4)
- Fluorescent Light Bulbs (See A-Z list Fluorescent tube lights and Compact Fluorescent Light bulbs)

Electronic Recycling Drop-offs

As of January 2017, these drop-off locations are open weekly during the hours listed below. The sites are staffed, so you will have assistance unloading equipment. Please visit countyofkane.org/recycling to confirm before visiting.

Fabyan Parkway, Batavia

Location: 517 E. Fabyan Parkway, Batavia, IL 60510

Hours: M-F 8am-4pm

South Elgin Old Public Works

Location: 735 Martin Drive, South Elgin, IL 60177

Hours: M-F 8am-4pm

West Dundee Public Works

Location: 900 Angle Tarn, West Dundee, IL 60118

Hours: M-F 7am-3pm (Note: hours are an hour earlier than other sites)

2017 Holiday Hours: closed Jan 16, May 29, Jul 4, Sept 4, Nov 23 & 24, Dec 25.

Cost: TVs and Monitors cost \$25 (for screens under 21" measured diagonally across the screen) or \$35 (for screens 21" and over). Pay at site with cash or card or online (link available on electronics page of countyofkane.org/recycling).

This consumer-based fee is paid directly to the County's contracted electronics recycler - eWorks, a non-profit that employs people with developmental disabilities. You are helping a good cause.

Electronics Recycling for Businesses

Please refer to the list of electronics recyclers that can help with your business needs at: countyofkane.org/recycling and click on Business Recycling.

Latex Paint

Unlike oil-based paints, which are considered household hazardous waste, today's latex (water-based) paint has a very low level of toxicity. Disposing of it as hazardous waste is unnecessary and very expensive, so most facilities do not accept it. Therefore, the Illinois EPA and Kane County encourage people with unwanted latex paint to use other options.

Buy a smaller can. The best way to reduce waste is by buying only as much as you need.

Use it up. Add an extra coat or paint something else. Use an old piece of cardboard, some scrap lumber, or the inside of your garage. Let the empty can dry and recycle it.

Recycle it. ReStore (800 N State Street, Elgin, 847-742-9905) will accept for free full unused cans of latex paint for reuse. Or bring it to a Kane County recycling event, see pg 2. Per-can fee applies to both the drop-offs and event.

Donate or share it. Find a friend or neighbor who needs to paint a small area.

Dry it out. Dried latex paint can be disposed of in your regular household trash. Add kitty litter, sawdust, or shredded paper and stir it in to help the paint dry more quickly. Once solidified, place cans in trash, metal lids in recycling.

Store it for later. If you want to save the leftover paint for touch-ups, just cover the opening with plastic wrap, and replace the lid securely by hammering it down.

Household Hazardous Waste (H

Free Residential HHW Drop-off

Naperville Hazardous Waste Facility

Hours: 9am - 2pm every Saturday & Sunday (except holidays)
Call Naperville Public Works (M-F) 630-420-6095 for inquiries.

156 Fort Hill Drive, Naperville, IL 60540
just north of the Public Works building at Fort Hill Dr. and Jefferson Ave.

Free Pick-up Service (Limited areas)

Residents of the following areas may schedule one free collection per year from your home.

- Hampshire, Rutland, Dundee, Burlington, Plato, and Elgin Townships
- Mill Creek Special Service Area
- City of Elgin
- City of Geneva (beginning January 1 each year & continuing while funds last)

This service is supported by the County of Kane, the Cities of Elgin and Geneva, and the Villages of Carpentersville, South Elgin, and West Dundee.

Call 1-800-449-7587 or go to
www.WMAtYourDoor.com to schedule a pick-up.

Items Accepted

- Aerosol products
- Antifreeze
- Auto fluids
- Batteries – auto, sump & household sizes
- Blacktop sealer - oil based
- Cleaning products
- Cooking Oil (Naperville Only)
- Fire extinguishers (Naperville Only)
- Fluorescent bulbs (tubes and swirled)
- Gasoline & oil/gas mixtures
- Hobby & photo chemicals
- Lawn chemicals
- Mercury (thermostats, etc.)
- Motor oil
- Oil-based paints, stains, & varnishes
- Pesticides, poisons, insecticides
- Pharmaceuticals/medications (see right)
- Pool chemicals (Naperville only)
- Propane tanks (Naperville only, Large grill tanks only, no camping sized – see A-Z list pg 8)
- Solvents

Items NOT Accepted

- Latex paint (see pg 3)
- Ammunition, explosives or fireworks
- Biological or medical waste (dispose as biohazard)
- Syringes/needles (see pg 5)
- Farm machinery oil
- Smoke detectors
- Oxygen & Helium tanks

Medication/ Pharmaceutical Drop-off Locations

Please do not flush your medicines down the toilet.

Expired and unwanted pharmaceutical drugs can be dropped off at the following locations. Both prescription and over-the-counter drugs are accepted. Take pills and capsules out of original bottles before placing them in a clear resealable bag for drop-off.

Batavia Police Department

(City of Batavia Residents ONLY, no needles)
100 N Island, Batavia, IL 60510
630-454-2500 Hours: 7 days, 24 hours

Elgin Police Department

(City of Elgin Residents ONLY)
Note: only pills, capsules, and tablets
151 Douglas Ave., Elgin, IL 60120
847-289-2500 Hours: 7 days, 24 hours

Geneva Police Department

(City of Geneva Residents ONLY)
20 Police Plaza, Geneva, IL 60134
630-232-4736 Hours: 7 days, 24 hours

Geneva, Kane County Coroner's Office

Government Center, 719 S Batavia Ave., Bldg. E
Geneva, IL 60134/ 630-232-3535
Hours: M-F 8:30am-4:30pm

Huntley Police Department

Safety-Kleen	847-468-6600 • safety-kleen.com

HW) Recycling and Safe Disposal

Household Battery Recycling

The best way to reduce waste is to invest in a battery charger and rechargeable batteries. Rechargeable batteries make better use of resources because you can use them multiple times before recycling them!

To recycle AA, AAA, C, D, and 9V & 12V batteries: first tape over the tops of all 9V & 12V batteries as they are a potential fire hazard, then place used batteries in a clear resealable plastic bag before delivering to the drop-off.

Due to automated disposal truck advances, **Curbside Battery Collection programs** are rarely an option these days. If you are in areas served by the HHW Pick-up Service (pg 4) you can include batteries in that collection. Or deliver them to one of these drop-offs, which are open 24/7 unless otherwise noted.

Batavia Public Works Department

(city residents only)

200 N Raddant Road, Batavia, IL 60510

Go to front entryway: M-F 7am-4pm

Elgin Township Highway Garage

725 S McLean Blvd., Elgin, IL 60123

(1/4 mile West of Route 31)

Geneva Public Works Department

(city residents only)

1800 South Street, Geneva, IL 60134

Go to front desk: M-F 8am-3pm

Pingree Grove Fire Station #4

39W160 Plank Rd., Elgin, IL 60124

South Elgin Fire District Annex

8N709 Stevens Rd., South Elgin, IL 60124

Village of Montgomery Police Department

10 Civic Center Ave., Montgomery, IL 60538

Hours: M-F 8am - 4:30pm

Village of Montgomery-Village Hall

200 N River Street Montgomery, IL 60538

Hours: M-F 8am - 4:30pm

Batteries Plus

Elgin 847-289-8990

Aurora 630-820-4880

Hours: M-F 8a-8p; Sat 9a-7p; Sun 10a-5p

- Rechargeable are free to recycle
- Single use are \$1/lb to recycle

Auto Battery Recycling

Lead-acid batteries from cars, trucks, boats, can be recycled at any store that sells them, at Home Depot, or at the Naperville HHW facility. See pg 4.

Safe Disposal of Sharps/ Needles/ Syringes

*Please never place loose needles or syringes in the trash.
Follow these instructions for safe disposal.*

- Place needles, point-first, into a thick plastic bottle, like a detergent bottle.
- Store sharps in closed container with the lid on.
- Clearly label container **"DO NOT RECYCLE"** with a bold marker.
- When the container is over half full, tape lid on with duct tape and place it in the trash.

SUSTAIN KANE

economy • environment • people

Kane County continues to make progress in improving the economic, environmental, economic, and social sustainability of its government operations.

Sustainability efforts stretch across all County government operations—including reducing energy and water consumption at the County's two dozen facilities, revising purchasing procedures and contracts to make a shift toward using more eco-friendly products and services, and taking steps to make the County's fleet of nearly 300 vehicles more fuel-efficient.

Upgrading to LED bulbs in the pole lights at the Kane County Government Center reduced the electricity consumption of those fixtures by over 75%.

Here are some of Kane County government's achievements during 2016:

- Completed LED lighting upgrades at 8 County buildings.
- Made insulation and HVAC improvements to Kane County Animal Control to reduce energy consumption.
- Purchased a hybrid car for the Kane County Health Department, and several vehicles with Eco-Boost for other departments to reduce fuel consumption.
- Hosted a Bike to Work Challenge for County staff to promote alternative commuting options and employee wellness.
- Held a surplus office supply swap event for all County departments to reduce waste and save money on supply purchases.

Visit www.countyofkane.org/sustainability to learn more about the greening of Kane County government.

Backyard Composting

Food scraps and yard waste make up the largest portion of the waste stream. Making compost keeps these materials out of landfills and benefits your yard by improving soil structure, texture, and fertility. It also increases the soil's ability to hold both water and air, and stimulates healthy root development in plants.

Soil Saver Compost Bins

Offered at a discounted price for Kane County Residents from: **University of Illinois Extension**
535 S. Randall Road,
St. Charles, IL 60174
630-584-6166

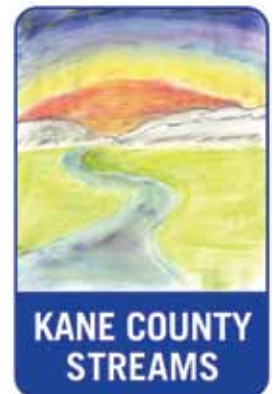

Cost: \$60.00 cash or check please, payable to Kane County Treasurer

Want to learn how you can help conserve our precious water resources? Visit Kane County's **Clean Water for Kane** webpage—just go to www.countyofkane.org and click on *Stormwater Education* on the bottom right.

You'll find links to a variety of educational tools for homeowners, teachers, students, and municipal government representatives. Or, if you'd prefer to receive some water educational materials via the mail, please contact the Kane County Division of Environmental & Water Resources at 630-208-8665.

Kane County is also a partner in the U.S. Environmental Protection Agency's **WaterSense** program. Visit www.epa.gov/watersense to access educational tools and water savings calculators, or to find information on programs or rebates available for making water-saving improvements to your home or business.

During 2016, 42 new stream crossing signs were installed to build public awareness of Kane County's waterways

Recycling Guidelines Single-stream Recycling

Containers

Aluminum Cans and Foil

- Aluminum cans (*please empty, do not crush or flatten*)
- Aluminum foil (*ball clean foil to 2 inches or larger, no flat foil or small balled up foil*)
- Pie plates & trays (must be free of food)

Steel/Tin Cans

- Food cans and lids (*please empty and rinse, place lids in the can and lightly pinch the top closed, labels can be left on*)
- Metal paint cans and lids (*must be empty and dry, some dried paint residue is fine*)
- Empty aerosol cans (*nozzles and labels can be left on*)
- Metal bottle caps are recyclable (*place in recycling loose*)
- **NO** utensils, propane tanks, wire hangers, or small appliances

Cartons

- Milk, Juice, and Soup cartons and boxes (*please empty and rinse, do not crush or flatten, plastic nozzles and tabs can be left on*)

Glass Bottles and Jars

- All colors are accepted (*Please empty and rinse, labels can be left on, and avoid breaking the glass. Remove caps and put metal caps in the recycling separately, throw plastic caps in the trash. Plastic caps are recyclable only if attached to plastic bottles or jars, see below*)
- **NO** window or auto glass, bakeware, ceramics, mirrors, light bulbs, coffee pots or drinking glasses

Plastic Containers

- ♻️ – ♻️ **Note:** the numbers in the chasing triangles do not necessarily mean that the item is recyclable; it just tells you what type of plastic it is. Please follow the guidelines below and recycle by item shape rather than the number on it.
- **Bottles** (i.e. empty water, soda, juice bottles; empty squeezable containers; laundry detergent, soap, shampoo bottles; empty health and beauty products; cleaners) Replace plastic screw-top caps on empty plastic bottles and jars to recycle them.
 - **Tubs** (i.e. coffee, tofu, cottage cheese, yogurt, margarine tubs) No lids.
 - **Jugs** (i.e. milk and juice jugs)
 - **Jars** (i.e. mayo jars) Replace plastic screw-top caps on empty plastic bottles and jars.
 - **Boxes** (i.e. fruit or lettuce boxes)
 - **Buckets, pails** (Buckets up to 5 gallons, pails without the metal handles)
 - **Other narrow neck containers** (i.e. kitty litter containers)
 - **DO NOT RECYCLE** flat plastic lids (from yogurt tubs or lettuce boxes); black plastic of any shape; plastic bags or film (see Plastic Bag Recycling box); plastic utensils or plates; plastic wraps, sandwich bags, freezer bags, tarps; plastic toys; hard plastic packaging; candy wrappers, cereal bags, potato chip bags, or snack bags; empty motor oil bottles; Styrofoam or polystyrene (See A-Z list).

See the A-Z list (pg 8-9 & 12) for a list of all the other things you can recycle in Kane County that don't go in your curbside bin.

Guidelines for Home and for Work

Paper

- Newspaper and inserts
- Magazines, catalogs, and phone books
- Office paper, notebooks (*staples, spirals, metal clips are okay*), computer print outs, hanging file folders, pastel colored sticky notes, glossy brochures, index cards, greeting cards, stationery, fax paper, manila folders and envelopes (*cellophane windows are ok to leave in*)
- Junk mail (*please remove all non-paper: plastic cards, magnets, etc*)
- Chipboard/paperboard - cereal, cracker, or frozen food boxes, tissue, shoe, gift, and 6/12-pack boxes, paper towel tubes, and egg cartons
- Cardboard boxes must be flattened and cut to 3' x 3'
- Brown paper grocery bags
- Paperback books (*no hardcover books*)
- Pizza boxes - A little bit of grease will not hurt the recycling process, so if the box has only a few grease spots, you can recycle the whole thing! If there is cheese or grease on the bottom of the box, rip the box in half and recycle the relatively clean top and put the bottom portion in the trash.
- Shredded Paper - Loose shredded paper causes major sorting problems in the Recycling Facility, so please find out how your waste hauler (p1) recommends packaging it for recycling. Some suggest enclosing it in paper bags, some in clear plastic bags
- **NO** used paper plates or fluorescent paper (*they contaminate the paper stream with food or dye*)
- **NO** paper towels, tissues, or napkins, which are not recyclable because they are usually soiled and also the fibers are too small to reuse (*please compost them with kitchen food scraps if possible*)

Close the Loop

Buying products with recycled content is the next step in creating a sustainable closed loop system. Look for household paper products like tissues, toilet paper, and paper towels that have recycled fiber content, otherwise they are made directly from trees! Office paper is available with 10% to 100% post-consumer recycled content, which means it was made out of paper that was milled and manufactured, purchased, used, recycled, and then remanufactured, to be used again!

Recycling Plastic Bags and Plastic Film

Please do not place plastic bags or film in your household recycling! They are recyclable but only at grocery store drop-boxes. Check your local store for their drop-box and to verify acceptable materials. Please visit www.plasticfilmrecycling.org for more information. **Please Recycle only plastic bags that are clean, dry and empty.**

- Grocery bags
- Retail bags (*hard plastic and string handles removed*)
- Paper towel and toilet paper plastic wrap
- Plastic newspaper bags
- Plastic dry cleaning bags
- Ziploc bags (*clean, dry, empty bags only & cut the zip strip off*)
- All clean, clear bread bags labeled with a #2 or #4

Do NOT Recycle:

The following are considered contaminants and could jeopardize recycling programs:

- **NO** receipts, deli stickers, or cling wrap
- **NO** frozen food bags
- **NO** film that has been painted or has excessive glue
- **NO** bio-based or compostable plastic bags

Things Change:

This is an annual guide published once a year. Please always refer to the website for the most updated and accurate information!

A-Z Listing *continued from page 9*

Styrofoam, polystyrene, styrene:

Dart Container Corp, 310 Evergreen Dr., North Aurora, 630-896-4631, www.dart.biz. Recycle Drop-Off is open 24/7. List of accepted items: block foam #6, clean food containers. NO straws, cup lids, paper, or packing peanuts. If dropping a large load please call for an appointment. See (p 9) for Packing Peanuts. Also see Extravaganza (p 2).

Sump Pumps: The Crusher*. For large loads, please make an appointment.

Syringes: See p 5.

Televisions: See Electronics (p 2-3).

Textiles: Clothes, shoes, linens, curtains, towels, blankets, and more will be received at the Extravaganza event (p 2). Thrift Stores take all reusable textiles. Drop-boxes take reusable textiles as well as worn or torn items. USAgain has over 25 drop-boxes in Kane, usagain.com, 630-293-1239. Credential Wholesalers has three locations, 630-659-8449.

Tires: Most local tire retailers take back old tires for a small fee. Large quantities, call Treadstone Tire Recyclers at 815-726-4644.

*See page 9.

Toilets: If under 5 years old and reusable, see ReStore under Building Materials on the Drop-off page (p 6). If old or broken, please dispose of at the curb. Contact your Waste & Recycling Hauler (p 1) for cost, and please separate the bowl and cistern so that it is in two pieces for pick-up.

Tyvek: Recycle quantities of plastic mailer envelopes, banners, and signs at Tyvek Recycle. Contact Sheree Hardin 804-518-2905.

Walkers & Wheelchairs: See Crutches.

Windows: If new, complete w/ unbroken, insulated glass (or under 5 years), see ReStore under Building Materials on the Drop-off page (p 6). If old or broken, please dispose of at the curb. Contact your Waste & Recycling Hauler for cost, and please duct tape an X on both sides of glass for pick-up.

X-rays: Pick-up: B.W. Recycling, Inc., 877-217-7020, www.xrayfilmsrecycling.com/pick-up-rates/Chicago-Illinois.htm. Drop-off: Cardinal Recycling, Co., 815-416-1500, www.cardinalrecycling.com/services.html.

Yard waste: Collection programs are managed by towns and waste haulers (p 1). Also see Drop-offs (p 6) and section on Back Yard Composting (p 7).
